Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Thursday 23 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain and hill snow across the south and west tonight.

This Evening and Tonight:
Caithness, Sutherland and perhaps Lewis will be mostly dry. Elsewhere a cloudy night with rain, this turning to snow over high ground with some accumulations. Minimum temperature 1 deg C (34 deg F).

Friday:
Rain and snow petering out in the morning to leave a dry afternoon. Some sunshine breaking through in the afternoon across the northwest. Frost quickly setting in by dusk. Maximum temperature 4 deg C (39 deg F).

Outlook for Saturday to Monday:
A mainly dry and cold few days with some sunshine. Chance of the odd wintry shower in the far north. Widespread overnight frost.
